

REMARKS

The office action of March 20, 2009 has been carefully considered.

It is noted that a new title is required.

Claims 6-8 are objected to for containing various informalities.

Claims 6-8 are rejected under 35 U.S.C. 112, second paragraph.

In connection with the title, applicant has adopted the title suggested by the Examiner.

In view of the Examiner's objection to and rejections of the claims, applicant has canceled claims 6-8 and added new claims 9-11.

In drafting the new claims applicant has taken into consideration the formal objection and rejections made by the Examiner. It is submitted that the claims now on file particularly

HM-390

point out and distinctly claim the subject matter which applicant regards as the invention. Thus, it is respectfully submitted that the rejection of claims 6-8 under 35 U.S.C. 112, second paragraph is overcome and should be withdrawn.

Reconsideration and allowance of the present application are respectfully requested.

Any additional fees or charges required at this time in connection with this application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

By

Klaus P. Stoffel
